Employer Briefing

Apprenticeships

To launch National Apprenticeship Week at the store, we are holding an Apprenticeships briefing event for employers to attend on Monday 5th March. This event is a breakfast meeting for employers, to join together for discussions of the following:

- **Changes in Apprenticeships** - frameworks to standards
- **Apprenticeship Funding**
- **Apprenticeship Levy**- including how to gift a proportion of your Levy to another organisation
- **Information and guidance on how to recruit an apprentice**

The meeting allows an opportunity for questions to be answered on the above topics and gain a greater knowledge on Apprenticeships and the Levy in general. The Apprenticeships Store will also help provide employers with support on how to recruit an apprentice.

Refreshments and a light breakfast will also be provided.
The event is free of charge.
