WHAT OUR MEMBERS SAY

"You remain the first place I put my marketing budget"

Chris Lowe | Insight6

"The monthly sessions are a wellbeing tonic"

Karl Perry | Katalyst Consulting

MARKETING
STOCKPORT

"We are all looking for connection and feeling part of something special - that's why I have been a member of MS for so many years and it's the one networking event I attend religiously and would never give up. It's fun, educational, I've gained many clients and made life-long friends - what's not to love about that?"

I would encourage anyone to join and most importantly, join in"

Jo Shippen | Hatter Promotions
